

# Product Specification Sheet

## SINIAT plaques

### Prégy<sup>®</sup>, 6, 10, 13, 15, 18, 25mm

Certification #: 3098  
 Issue date: May 8, 2018  
 Expiration date: May 7, 2019

Product description: Plasterboard is an inner layer of gypsum sandwiched between two outer layers of lining paper. Various additives in the gypsum layer and varying the lining paper, will give the finished board different properties.

Main applications are ceiling, partitions and walls.

Approved for use:
